

Personal Wireless Service Facilities operational in Carlisle
(By Special Permit application through the Planning Board)

<u>Location</u>	<u>Type of Wireless Facility</u>
871 Bedford Road	189 ft. monopole
1022 Westford Street	80-90 ft. monopole
27 School Street	Concealed installation within bell tower

Note: Service providers include AT&T, Sprint PCS, Metro PCS, and Verizon Wireless.
While there have been additional approved special permits, some facilities were not
constructed by decision of the service provider.

As of January 2016
